

CHILDREN'S RIDES

7 mt Merry Go Round

Compact 7 m carousel for indoor centres and small parks.

5 m

Height

20

Seats

≈ 49 m²

Footprint

OVERVIEW

The 7 m carousel is the compact model of the range, sized for indoor entertainment centres, shopping malls and small parks.

It keeps the classic look — lit canopy, themed figures — in a footprint that fits where larger carousels do not. Colours and figures are matched to the site.

Designed and manufactured with reference to international amusement-ride standards, EN 13814 in particular. Certification and approval are planned per project for the country of installation.

TECHNICAL SPECIFICATIONS

Footprint	≈ 49 m ²
Length	7 m
Width	7 m
Height	5 m
Seats	20
Min. rider height	90 cm

Values are for the standard configuration and may vary with options and site conditions. Detailed layout drawings, foundation loads and electrical requirements are provided with the quotation.
