## OVERVIEW

The Haunted Hotel is a hotel-themed dark ride: vehicles move through an enclosed course where 28 animatronic figures and effects trigger at unexpected moments.

Delivered as a complete building-and-vehicle package; figure programme, route and theming are configured per project.

Designed and manufactured with reference to international amusement-ride standards, EN 13814 in particular. Certification and approval are planned per project for the country of installation.

## TECHNICAL SPECIFICATIONS

|                             |                      |
|-----------------------------|----------------------|
| Footprint                   | ≈ 280 m <sup>2</sup> |
